A. O. SMITH ADVANTAGES

X7⁺ | Water Purifier

Multi Source Solution

Water Purifier that works upto TDS 3000ppm. It is suitable for any source of water be it municipal water or borewell or tankers.

Baby Safe Water

8-stage Purification makes the water so pure that it is safe, even for babies.

Double Protection

RO+SCMT ensures double protection. SCMT (Silver Charged Membrane Technology) provides second level of purification that prevents any potential secondary level contamination. It's proven that RO+SCMT provides far superior purification compared to RO+UV (or) RO+UF (or) RO+MF.

Fresh and Natural Taste

MIN-TECH⁺ (*Mineralizer Technology) adds essential minerals like calcium and magnesium into the water thereby ensuring the water tastes fresh and natural. It also balances pH, an essential requirement for healthy drinking water.

Specifications

Main Technology	RO + SCMT	
8 stage Filtration	Pre-filter	
	ART MAX™	
	SCB filter®: Sediment + Carbon Block	
	Side Stream RO Membrane	
	MIN-TECH ⁺	
	ZX Double Protection Dual Filter®: SAPC + SCMT	
Convenience Feature	Storage capacity	9 liters
	Mounting Options	Wall/Table
	Tank Full Indication	Digital
	Filter change indicators	Yes
	Auto Filling of Storage tank	Yes
Specification	Dimension (H x D x W) in mm	490 x 329 x 315
	Pressure rating in psi	7 ~ 30
	Input Voltage in watt	150 ~ 300V AC / 50 Hz
	Power rating watt (Max)	48
	% Recovery	Upto 30%
	Water flow Rate	Upto 15 LPH
	TDS	Upto 3000 ppm
	Storage Tank Material	Food grade
Comprehensive Warranty	6 Months (Includes of all Filters and RO membrane)	

Disclaimer: Product images / color shown may vary from actual model.

ART MAX™: Advanced Recovery Technology™. SAPC: Silver Activated Post Carbon block. SCMT: Silver Charged Membrane Technology.
